

THE  
FORGOTTEN GOSPEL  
CONFERENCE

THE DEEPER  
STORY OF  
GOD'S  
RELENTLESS LOVE

---

Mission and Goal

---

At the Forgotten Gospel Conference, we hope to celebrate Jesus in light of two ideas: One that Scripture "can't be broken" (**John 10:35**), Two that the Lord will "reconcile to Himself all things...making peace by the blood of His cross" (**Col. 1:19**).

We believe Jesus wins, the Bible tells us so and that this gospel - The Gospel - has been largely forgotten in our modern world. So, for three days we intend to worship the Lord by:

- **Proclaiming the victory of Relentless Love**
- **Equipping each other to better proclaim Relentless Love**
- **Making new friendships that comprise His body at work in this world**

If you have some level of conviction regarding the authority of Scripture, and are intrigued by the biblical notion that God will "make all things new" (**Rev. 21:5**), this conference might be for you.

**The deepest story is not our failure, but God's success.  
He is Relentless Love.**
